## 15" Mega-Truss Pick

The Mega-Truss Pick has a top and a bottom rigging hole for attaching the truss to a shackle, motor, or chain hook.

The Mega-Truss Pick will suspend up to one ton of truss load, plus an additional one ton load suspended under the truss.

Fits 5/8" shackle and larger. 1" x 6" x 16-3/8" 6061T-6 Aluminum CNC machined with pockets to support one piece of 15" truss. Truss is secured by two aluminum pivoting links, half inch swivel bolts, and our solid wing nuts.

**Working Load Limit** One Ton

**Case Quantities** Each

**Order Codes** **MTP15** 15 Inch Mega-Truss Pick, Silver
